

The company CETIN expects its results for the year 2021 will be in line with the long-term trend

2 February 2022

The company CETIN a.s. ("CETIN") expects its financial results for the year 2021 will be in line with the long-term trend, established by the published results of the previous years, first half and third quarter of 2021.

Following the first indicative information the company CETIN expects for the year 2021 the revenues and margin approximately at the level of previous year. The company CETIN continued in strategic investments to the development of new generations of fixed and mobile networks, and this trend to be expected also in current year.

The audited CETIN's financial results of the year 2021 in full are going to be published as a part of CETIN's Annual report for the year 2021 in standard term.
