

The company CETIN expects its results for the year 2022 will be in line with the long-term trend

26 January 2023

Following the first indicative information the company CETIN a.s. ("CETIN") expects its financial results for the year 2022 will be in line with the long-term trend, established by the published results of the previous years, first half and third quarter of 2022.

The company CETIN continued in strategic investments to the development of new generations of fixed and mobile networks, and this trend to be expected also in current year.

The audited CETIN's financial results of the year 2022 in full are going to be published as a part of CETIN's Annual report for the year 2022 in standard term.
